

# MAX® 110

INNOVATION. AMPLIFIED.™

## OVERVIEW

The MAX® 110 bass combo amp delivers more bass in a space saving package. With 100 Watts of power that includes DDT™ speaker protection and a 10 inch heavy-duty woofer, the Peavey MAX® 110 is ready for plenty of gigs and rehearsals. Another Peavey exclusive is the patented TransTube® circuitry that offers you a gain boost. The EQ section includes a 3 band EQ and a button for Mid-shift. The Max 110 also includes a unique psycho-acoustic low end enhancement that adds low end without taxing the speaker, a testament to Peavey's technology driven philosophy. Rounding out the features are a built-in chromatic tuner and 1/8" jacks for phones output and aux input.
